Arizona law (ARS 43-1098.01) allows taxpayers to receive a tax credit of up to $400 for donations that benefit students in our public schools. That’s not just a deduction, it’s a tax credit—it reduces what you owe in state taxes, dollar-for-dollar.

Here’s how it works:
Just send a donation to the Flowing Wells School District, earmarked for support of one of our many qualifying extracurricular activities. We’ll send you a receipt for your records. Then, when you fill out your Arizona state taxes, you can subtract your donation from what you owe in taxes. Credits should be taken in the year donated; however, donations made from January 1—April 15 can be used in either the current or prior year.

What qualifies:
By law, only donations to extracurricular activities that charge a fee qualify for the tax credit. Donations must be made to the school district, but directed toward a specific activity at a specific school.

You may specify that your donation is a contribution that benefits all children, or you may designate it to cover a current fee for a specific child’s participation in a qualified activity.

Just fill out the form then make your donation in person at any Flowing Wells school or mail it, along with your check, to Flowing Wells School District.

Donations may also be made online. Go to www.flowingwellsschools.org and click on the link for Tax Credits.
