

## DISTANCE LEARNING COMPARISON

All families must choose a distance learning option to start school on **AUGUST 6TH**

DISTANCE LEARNING OPTIONS

### Option #1: Remote Real-Time Learning

Until it is safe for students to return to campus, Flowing Wells will offer a **Remote Real-Time Learning** option in which students are enrolled in a Flowing Wells school and assigned to a Flowing Wells teacher(s). Students will follow a "real time" school schedule and connect virtually to their classroom for direct instruction, activities, and live interaction with teachers and classmates. When it is determined that students may return to campus, the Remote Real-Time Learning option will no longer be available except in the case of school closures.

- PreK-12, full-time, five days a week
- FW teachers, instruction, assessment, and curriculum resources
- Comprehensive programming including honors and AP classes
- Real-time instruction following a typical school schedule
- Live interaction with teacher and classmates
- Daily attendance and participation required
- Student progress supported with feedback and grades
- Materials, resources, and assignments in Google Classroom
- Chromebook provided by District as needed
- Social-emotional support and counseling services
- Accommodations and support services provided (special education, English language learners)
- School meals available

### Option #2: Full-Time Digital Learning: Flowing Wells Digital Campus

Flowing Wells will offer a **Full-Time Digital Learning** option in which students are enrolled in the Flowing Wells Digital Campus. The student will complete lessons on a flexible schedule and receive support from a Flowing Wells teacher. Lessons and content are provided by the online curriculum programs listed below. Students are able to stay enrolled in the Flowing Wells Digital Campus for the entire school year.

### Classroom Learning

All FW schools will plan to open on-campus, in-class learning with reasonable health and safety measures as soon as it is deemed safe. The **Classroom Learning** option will not be available at the start of the 2020-2021 school year. Classroom learning may include all students coming back to campus, or a hybrid model with half the students in class at one time. As further guidance becomes available, more details will follow.
